

NATIONAL CONFERENCE

VIRTUAL EDITION

For more information, visit vibnetwork.org

The 4th Annual Conference was a VIRTUAL SUCCESS!

During these challenging times, the VIB Network recognized that business opportunities still needed to happen. That's why the 4th Annual VIB Network National Conference went virtual on October 12-13, 2020 – allowing for more participation nationwide. The numbers speak for themselves:

- 587 Registered Attendees
- 400 Business Matchmaking Appointments
- 84 Exhibitor Booths
- 18 Informative Business Seminars
- 2 Inspiring Keynote Speakers

Through the virtual conference platform, we were able to offer tons of value with 18 business development sessions. Veterans learned how to lead in a crisis, write capabilities statements, got clarification on certifications, and participated in panel discussions. The virtual business matchmaking one-on-one meetings were a huge success with 400 pairings, and the V2V Business Cohort Program continues to impress!

Day one's motivational keynote was delivered by Green Beret Veteran Robert Schaefer of Horse Soldier Bourbon, who gave us leadership lessons. He returned for "Happy Hour with a Bourbon Twist" with Navy SEAL Veteran Ty Smith. Day two's keynote, Army Veteran John Register, shared how to "Amputate Fear and Embrace Your New Normal Mindset."

The finale was a "Salute to Veterans" live virtual concert with Marine Veteran Derrick Harris and his band "All The Vibes," which included live painting by Sergio Gutierrez.
